HALF WAY BETWEEN | BENNETT & CO.,
PITA and TOWER HALL,
Sixth Streets.) BIS MARKET STREET,
PHILADELPHIA,
AND 800 BROADWAY, NEW YORK. WHAT IS A TONIC ?- Bear this in mend-that although

a tonic is, to a certain extent, a stimulant -a stimulant, unmodified by any medicinal embetances, is not a toxic, but DEBILITANT. In HOSTETTER'S STOMACH BITTERS there is a stimulating element of the purest grade manufac tured in this or any other country. Every fiery and corro sive oil or acid which contaminates the ordinary liquors of commerce, is expelled from the rye spirit which forms the alcoholic basis of the ETTTERS, by careful and repeated rectification. The juices of the valuable roots, barks, and herbs infused into this wholesome product of the finest grain, still further modify its nature; so that it becomes, in fact, a simple diffusive agent, wieve all the heady and brain exciting properties which belong, more or less, to all liquors in a raw state. It is merely the safe and harmless vehicle which renders the medicinal virtues of the prepa ration effective-increasing their active power, and diffusing them through the system. Hence the pleasant and gentle glow which is experienced after taking a dose of the BITTERS. Instead of creating headache, as unmedicated stimulants are apt to do, this salubrious tonic is the best known remedy for that complaint. It calms and soothes cerebral excitement, strengthens the nerves, promotes the secretion of the gastrie juice, invigorates the bowels, determines the fluids to the surface, improves the appe tite, increases the animal vigor, regulates organic action, and, from its mild yet effective alterative qualities, is the very best preparation that can be administered to the weaker sex in the peculiar difficulties to which their or ganization subjects them.

A SONNET .-The velocipedestrians are rolling around With their feats, with their feet lifted up from the ground, But I've something to tell you about that is stranger, And a safe thing to put your loose change out of danger The people who run on velocipedes so Will be bored by and by with the circular show; But the circular see show can never be bored, There's the place for your money and bonds to be stored.

The Spherical Safe made by Marvin & Co. Is the best thing yet offered, as far as we know And we ask you to call and examine its points, Though as round as the moon, and is made without joints, The burglar will find it a very large pill, Too hard to be taken with powder or drill.
